Facsímil: Libro de ejercicios (Spanish Edition)

Alejandro Zambra

Facsímil: Libro de ejercicios (Spanish Edition) Alejandro Zambra

A partir de la estructura de la Prueba de Aptitud Verbal que se aplicó en Chile desde 1967 hasta 2002 para el ingreso a la universidad, Alejandro Zambra construye un texto tan lúdico como conmovedor.

Bajo la forma de ejercicios de opciones múltiples –a veces oraciones para completar en apariencia simples pero igualmente contundentes; otras, un texto para analizar–, este libro habla del amor y las relaciones familiares en la clase media chilena, la ley, la idea de educación heredada de la dictadura, las formas y los dilemas de una sociedad obligada a hacer silencio, sumida por momentos en una comodidad inquietante. Historias que pueden ser leídas de tantas formas como opciones de respuesta se proponen y que otorgan así al lector un papel esencial en la construcción del relato final.

Un libro peculiar y extremo, que combina la experimentación formal con una aguda reflexión y un estilo exquisito, de uno de los escritores más destacados de la literatura latinoamericana.
